

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

SALT RIVER WATER DISTRICT (TRANSFER) TO)
KENTUCKY TURNPIKE WATER DISTRICT) CASE NO. 91-280

O R D E R

This case was initiated by Kentucky Turnpike Water District ("Kentucky Turnpike") requesting the Commission approve the transfer of the assets of Salt River Water District ("Salt River") pursuant to an Order entered by the Bullitt County Judge/Executive. On September 10, 1991, counsel for Kentucky Turnpike by letter informed the Commission that its Board of Commissioners had decided to take no further action in seeking approval for the referenced merger or transfer. In support of the request, the Kentucky Turnpike Commissioners feel that any further proceedings at this time would not be beneficial to the parties involved given the current complaint filed by customers of Salt River naming both Salt River and Kentucky Turnpike as defendants, and given the deteriorating economic condition of Salt River. The Commission will treat the September 10, 1991 letter as a motion.

After consideration of the matters of record, pending motion and being otherwise sufficiently advised, the Commission finds that good cause exists for granting Kentucky Turnpike's request to withdraw the petition and to close this proceeding.

IT IS THEREFORE ORDERED that Kentucky Turnpike's motion is granted and this case be and it hereby is closed.

Done at Frankfort, Kentucky, this 20th day of September, 1991.
